Criteria for End of the Year Field Trips - Celebrating our year together is important and we hope that all students are able to participate. We are currently planning the events for that day which will include lots of fun with your friends, food, and a chance to say goodbye to your teachers. In order for us to have fun and be safe, students must meet the following criteria to participate:

1. No suspensions starting May 1st.
2. Less than 3 behavior response calls.

We expect that all students will show positive and respectful behavior from now until the end of the year, coming to class on time with materials and completing their work. We still have 5 weeks of learning until the last week of school! Let's stay focused and positive!!

You Won't Want to Miss This! Please join us on Wednesday, May 31st from 5:30 – 7:00 p.m. for our final Family Night of the school year! The evening will include students performing their original poetry in "Hear Our Truths", a fashion show featuring our uniforms for next year and topped off by an ice cream social! We hope to see you here on the 31st!

Spring Cleaning & School Books – As you're doing your spring cleaning please make sure to have your student return any school books before the end of the year! This would include textbooks and LMC materials.

MSCR Ending May 18th – The last day of MSCR programming for the school year is Thursday, May 18th. Please make sure this is on your family calendar!
