Please Join Us For an Informational Meeting! Do you have questions around immigration law? If so, please join us on Tues. Dec. 19th from 5:30-7:00 p.m. when we will gather to learn more about immigration laws and how they affect our families. On this evening we will have several community members on hand to answer our questions on this valuable topic. Childcare and food will be provided. Please RSVP to aliciagrants@madison.k12.wi.us or by telephone to 608-204-1364 no later than December 15th. We hope to see you on the 19th!

Guess What! Winter Has Arrived! Just a quick reminder to request parent’s help in making sure students are dressing appropriately when they come to school each day. We go outside nearly every day so it’s important for students to have their coats, hats and gloves! We’ve also heard some grumbles about having to wait outside until 7:49 when you are allowed to come in to breakfast. Students have to wait outside until the bell rings at 7:49 unless we get a notice from the Superintendent stating it is too cold and students should be allowed to come into the building. This only happens when it is very cold. Come prepared to wait outside in the morning and go outside at lunch. If you need warmer outside clothes, please talk with your grade level support staff.

Food at School - Scholars, we have been finding way too many wrappers, candy and other food items not only outside on the playground, but also in the halls and classrooms. This has to stop. Unless you bring food specifically for lunch and it is in a zip lock bag or a container it does not belong at school. Period. You are to eat your breakfast and your lunch in the cafeteria and no place else. This is the time of the year that we start experiencing mice coming into the building and it’s because they are looking for food. We do not want to encourage them by having food available in our classrooms, lockers and the halls. Parents, please help us reinforce this policy by talking to your scholar. Thank you for your cooperation!
